Dear Mr. Von Hermann:

Re: Amendment to Appraisal of Designated Tract for Proposed
Swap for U. S. Forest Service Tract 60-d, McCormick
County, South Carolina

Enclosed are two copies of the Amendment to Appraisal report on the 38.9-acre Greenwood County tract which is being proposed as a swap for Tract 60-d. This Amendment places the appraised value of the 38.9-acre tract at \$25,480.50 as compared with the \$19,495 appraised value of Tract 60-d. Amseco is satisfied with the difference of appraisals and is ready to sign a formal agreement to proceed with the land swap upon approval of the Amendment by the U. S. Forest Service.

Your continued assistance with this matter is most appreciated, and I look forward to hearing from you in the near future.

Sincerely,

AMSECO MINERALS INC.
